In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.

PROVISIONS FOR PAYMENT AND ESTATE CHARGES

The death of someone you love, a devastating human experience, can impact judgment. We believe in the importance of celebrating the life of a loved one and will assist in any way we can in arranging an appropriate service to meet your individual needs. However, it is important to be realistic with funeral expenditures, as it is with any expenditure. We will strive to help you carry out your wishes within your financial means.

Our provisions for payment are:

- 25% of total funeral bill *or* total of cash advances *whichever is greater* (to be paid at time of arrangement conference)
- Social security number of buyer is required if payment in full is not received at arrangement conference.
- Balance is due in 30 days.

A late charge of 1.5% per month will be added to all balances not paid within 30 days from the date of death.

If the funeral bill is not paid within 60 days from the date of death and an estate is filed, a \$500 estate filing fee will be added to the contract at the time of filing the estate with the county. It is also understood that all financial arrangements are made with the buyer and not with the estate of the deceased.

For your convenience, we accept cash, check, American Express, Visa, MasterCard & Discover Card.

VARIABLE TERM PRENEED GUARANTEE

If an individual chooses to pre-pay a funeral before need, Downing & Lahey offers a variable term preneed guarantee.

- Basic guarantee.....1 year from time of contract (No extra cost)
- Good guarantee.....Up to 5 years (5% of services and merchandise cost)
- Better guarantee.....Up to 10 years (10% of services and merchandise cost)
- Best guarantee.....Lifetime (15% of services and merchandise cost)

These extra funds go towards covering the increase in services and merchandise costs that will occur in the future. If the extra funds are not needed, they will be refunded to the estate of the deceased or to the state of Kansas if the deceased was on state assistance.
